

Preparation of Papers for IPSJ Interaction 2026

Runzhi Liu

Graduate School of Science and Engineering, Saitama University, Japan

Abstract

This document provides the guidelines for preparing English papers for submission to IPSJ Interaction 2026. The template is designed for pdfLaTeX or XeLaTeX compilation.

1 Introduction

This template demonstrates how to write English papers without using Japanese font encodings (JY1/JT1).

2 Figures

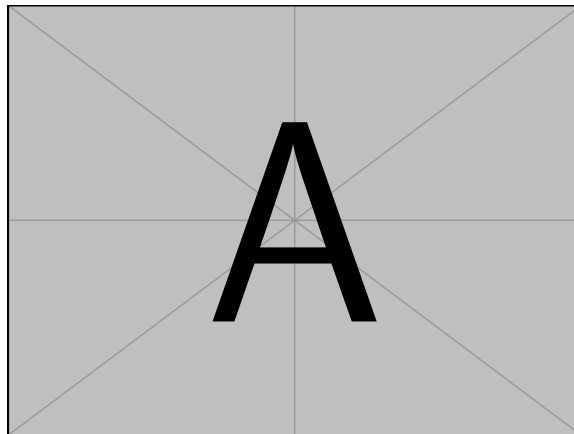

Figure 1: Example figure.

3 Conclusion

This template can be compiled directly by `pdflatex paper.tex`.
